

At Architects Plus (UK) Limited our corporate social responsibilities are integral to our business and fundamental to our day-to-day business success. We take our social and environmental responsibilities very seriously.

We aim to achieve our business objectives in a caring and responsible manner recognising the economic, social and environmental impacts of our activities. We are a practice that treats our staff, clients, community and environment with respect and are committed to ensuring that our business is conducted according to the highest ethical and professional standards. We live and work in a beautiful part of the world and we want to ensure it continues to be a sustainable environment with thriving communities for generations to come.

Environment

Architects Plus (UK) Limited recognises that we are in a climate emergency and acknowledge the environmental impact of our activities. We are committed to embedding sustainable decision making in everything we do. We have committed to the RIBA 2030 challenge and the Architects Declare initiative to reduce our environmental impact. Our five-year environmental sustainability plan is continually reviewed against our progress and we ensure our staff are fully qualified to assist in achieving our goals; and to support our clients in achieving their own sustainability goals.

Health and Safety

We are committed to high standards of health and safety, recognising our duty and the benefits of providing safe working conditions for our employees and those involved in the construction and use of our designs. We promote mental health awareness and actively encourage a positive supportive workplace.

Our Staff

Architects Plus (UK) Limited is fully committed to providing a harmonious working environment. Our aim is that our workforce will be truly inclusive and that each employee feels respected and able to give their best.

Our staff are our greatest asset and integral to the ethos of our company. We actively engage with our staff, listening, supporting and encouraging their development. We are a very sociable office, who enjoys a range of activities from yoga to book groups and the occasional social event!

Our Clients, Co-Consultants, and Contractors

At Architects Plus (UK) Limited we are proud of the longstanding relationships we build with our clients, co-consultants and contractors. Professionalism, honesty, trust and integrity are guiding principles in all our relationships. We regard our network of co-consultants and contractors as our partners and work with them to achieve our aspirations in the delivery of products and services. We are a practice that treats our clients with respect and seeks to provide solutions that are relevant to their needs and requirements. We aim to support our clients in their business, community and environmental aims.

Our Community

We aim to practice responsible architecture recognising our role in the community and finding ways to support and give back to the communities in which we live and work. We are proud of engagement with local community groups and charities; and actively support volunteering and participation in a wide range of community organisations. We recognise that our designs become an integral part of local communities and we actively seek solutions and proposals that will improve and enhance the lives of those who experience our projects.

Our commitment is to continue to evaluate and evolve our objectives to be a responsible company who values our colleagues, community and environment.
